# Gilford Community Church

The Gilford Community Church ministers to the needs of many people in Gilford and the surrounding area. Our sanctuary is available to couples who are interested in a religious wedding ceremony. Weddings must be planned with our Pastor, and must be confirmed as soon as possible to secure your date on our calendar.

Planning your wedding begins with scheduling a date and a time with the church. Please call the **Church Office** (524-6057) to confirm that the day and time you have in mind are available. Please contact our **Music Director** (Carolyn Ames) to discuss your wishes for your ceremony's music, including arrangements for a soloist, at 524-1952. Please call the **Pastor**, Reverend Michael Graham (524-6057) to schedule an appointment to discuss the plans for your ceremony. We will send you a confirmation after we receive your deposit, and your wedding will be added to our calendar.

Our Pastor officiates at weddings held at Gilford Community Church. Other clergy may participate upon your request, with the approval of our Pastor.

Please see our fee schedule. It includes all services provided by the church and recognizes the additional time and effort required by our staff in assisting with your wedding plans. The fee schedule can be adjusted at the discretion of the Pastor. Please discuss any questions or concerns regarding fees directly with the Pastor during your appointment. The church fee is waived for active church members who contribute to the Gilford Community Church. All fees are due two weeks before the wedding.
